Education

Carnegie Mellon University

Pittsburgh, PA | Aug 2022 - May 2026
B.S in Business Administration & Human-Computer Interaction
Minor in Decision Science
Dean's List

Experience

KeeperAI – UX Design Intern

Remote | Mar 2023 - Aug 2023

Actualized an onboarding guide to help users navigate an AI personality profile software currently integrating with Microsoft. Iterated and contributed design ideas for the website update as a part of the user experience team.

One River Asset Management – Sales Intern

Stamford, CT | Jun 2023 - Aug 2023

Streamlined the firm's monthly newsletter for clients, summarizing and communicating the firm's performance. Systemized client contact through Salesforce to refine the client discovery and interaction process based on geographic region and type of fund.

Alpha Kappa Psi | Webmaster

Pittsburgh, PA | May 2023 - Present

Maintains a user-friendly website on Squarespace showcasing fraternity's members and professional accolades, contributing new marketing content to enhance user experience.

Carnegie Mellon University – Computing@CM Teaching Assistant

Pittsburgh, PA | Aug 2023 - Present

Instructor for 2 classes on the foundations of responsible and effective computing practices. Coordinate lesson plans and develop weekly curricula to engage students.

Projects

Ford E-Bicycle – UX Designer & Product Designer

Pittsburgh, PA | Oct 2023 - Nov 2023

Collaborated with a team to design a user-friendly electric bicycle prototype featuring touch screen interfaces and accompanying mobile app.

TAIGA AI Bias Auditing – UX Researcher

Pittsburgh, PA | Jan 2023 - Present

Conducted user research on WeAudit TAIGA, an AI bias auditing platform for finding and sharing GenAI biases. Compiled research findings on the social platform into a cumulative final report for the creators of the platform.
